Chan,

The Corps does not have a pending action at this site. I've forwarded the emails to Jess Jordan in our Eastern WA field office. Please coordinate with Jess on this complainant.

Chan,

Sounds good. It would be nice to have a conversation with both EPA and the Corps as I and my staff have taken a very close look at the issue.

Hi Gary,

Thus far, I've only informed Joe Brock with the Corps and Susan Meyer. I've cc'ed them here.

I continue to receive information from the complainant, Mr. Seaman, but will hold on to it until we speak offline on this matter.

Gratitude,

Chan Pongkhamsing

Chan,

Please forward my contact information to those outside of Ecology on this matter. I have done initial legwork and have a perspective that will be helpful to others that are being drawn into the fray.

Thanks
